

## 3B Baseball

### FAQ's about registration

- Is the age limit strict or can you make an exception for my son?
  - The age limit is May 1<sup>st</sup> 2009. It is consistent across leagues and not eligible for change or deviation.
- What nights or days do the different leagues currently play?
  - Farm plays on Saturdays at 10 and 11, these are 1 hour games
  - Pee wee plays on Monday and Fridays at 6 pm
  - Minor plays on Tuesday and Thursday at 6 pm
  - Colt games are being determined
  - Knothole games will be posted by director
- When do practices start and what nights are they?
  - Practices start on April 1<sup>st</sup> and are determined by the coaches. After April the coach sets the practice time and place
- Where do they play their games?
  - All games are at White Park except for Colt and Knothole which may have games scheduled elsewhere
- When does the season start and end?
  - The Season will begin in late April for all leagues except knothole. The Season ends in early July. Knothole runs during June and July.
- How do I apply to be a coach?
  - Contact a league director and fill out a coaching application. All coaches must have an application to be considered. A Coaching Committee chooses coaches for each league.
- Can my kids play on the same team?
  - Each coach for Farm, Pee Wee and Minor has 5 sponsor picks to form a team. Colt has 8 and the Knothole teams forms the entire team. Siblings can be on same team, however they count as two sponsor picks unless moving to different division, i.e. player on Minor and player moving to Minor from Pee Wee.
- Can they be put on a team with their friends?
  - If sponsored by a coach, and the team has a sponsored spot available
- When is the draft?
  - Conducted after registration by league director
- How do they conduct the draft?
  - Each league director conducts the draft. Please contact them for specifics
- Do you accept late registration?
  - Yes but with an additional fee.
- Where do I send my registration form?
  - Registration form is posted on website along with address
