THU, 5/24	5:30 PM	RAIN DATE	5:30 PM	RAIN DATE

3B Baseball has chosen GSK Creations as your official photographer again this season. To help us make Picture Day run as smoothly as possible, please follow these guidelines.

COACHES

It is very important that you bring your entire team to the photo check-in table at least five minutes before your scheduled time. Due to our tight schedule, as well as our desire to have your team back on the practice field as soon as possible, your team photo must be taken at your scheduled time. We are unable to wait for late players!

PARENTS

Individual photos of your child may be taken either immediately before or immediately after their team photo. However, your child must be on time for the team photo. We are unable to wait for missing or late players due to time restrictions.

Your child should bring his completed order envelope with payment to the photographer line.. The photographer will not take your child's photo without a completed order envelope. We are unable to allow you to take your envelope after your child is photographed, so any adjustments to your order must be done on a new envelope. An order envelope without payment will not be processed and the order will be cancelled.

If you are ordering Trading Cards, make sure you fill out the requested information on your envelope. We cannot be held responsible if your information is missing or illegible.

If you have any questions on picture day, please see the GSK Creations associate at the check-in table.

ACTION SPORTS POSTERS

We will again be offering our unique Action Sports Posters. All orders will be collected on Picture Day. Like last year, we will take action photos of your son either before or during one of the next few games. This is done to best utilize the photographer's time, and allow multiple players to be photographed on the same field at one time. You can download an order form at www.gskcreations.com or pick one up at Picture Day.
