

Concession Stand Volunteer Sheet

Thank you for volunteering to work the 3B concession stand. We really appreciate it. The following list has been created to ensure your experience volunteering is positive for both you and our customers. Please let your coach know if you have any questions.

- Please arrive at the stand 15 minutes before game time so the concession stand staff member can show you how to operate the machines and answer any questions you have.
- You need about 3 adults to run the stand at one time, one at each window and one to keep food prepared.
- Only adults can prepare food and handle the cash
- Wear comfortable clothes as it gets very busy and hectic
- You will work about 2 hours and a concession stand staff will arrive to relieve you
- Please try to keep stand neat as we do have to pass the health department standards
- Please wear plastic gloves when preparing food
- Only 2 children under the age of 15 are allowing in the stand at one time
- There are ice bags in the freezer and band aids in the cabinet for injuries
- You are not responsible for the bathrooms

Once again the 3B board really appreciates your help!!! Thank you.
